July - August 2000

## AA Field Target Match

Match Results, July 29 & August 12, 2000

### Increasing the Difficulty

by Ken Hughes

The weather was perfect. We have a lot of new faces and an influx of Daystate rifles that are shooting well.

Doug Vinson, Robert Crocker, Joel Hansel, David Simpson, Lori Simpson, and I are going to the worlds/nationals this month. AA should be well represented.

AA August match course was very difficult. I believe the course difficulty rating is 36.0. I have again been asked if we are going to have an official state championship or regional match for out of town guests to attend? Input from the members would be appreciated, and soon!!
